Welcome to the New monthly Newsletter!

By Cori Vipperman

Hello social justice warriors! I'm pleased to announce we will be launching a short newsletter on the first of every month highlighting social justice events and initiatives taking place that month! March is a busy month for the social justice committee! Beginning Wednesday, Feb. 27, we will be hosting the *Justice & Spirit Series* that will run for four consecutive Wednesdays featuring different social justice topics. The first two in March are related to our Green Sanctuary efforts and will be based on the "Our Place in the Web of Life" curriculum from the UUA and co-facilitated by Sunnyhill members Sue McCarthy and Amber Book. A good showing will help with GS certification. March 20, Opal Middleton of *The New Sanctuary Movement* will join us and speak about her organization and how we can partner in their efforts to help immigrant families at risk of deportation. The second big event is the *Building Bridges Bhutanese-Pittsburghese Potluck Mixer* co-hosted by the Himalayan Foundation USA! This will be a great opportunity to get to know members of the adult Bhutanese refugee population in the South Hills and share traditional Nepalese and American dishes, games, music, and crafts! This event is intended for adults. Please sign up in Fellowship Hall and indicate what dish you intend to bring.
