

Buy a Poinsettia, Support COA

The COA 2019 class is sponsoring a poinsettia sale from November 5-December 2. Proceeds will benefit the COA trip to Boston in the spring. All flowers are locally grown by the Drew Mathieson Center for Horticultural and Agricultural Technology. The center, in conjunction with Manchester Bidwell, uses eco-friendly, sustainable farming to empower and educate young, urban adults.

Please place your order as soon as possible to reserve the best plants with Manchester Bidwell. Flowers will be delivered on Friday, December 7. Pick up can be either Friday night, December 7, or at One World, Saturday, December 8.

If you have any questions, please contact Tanya Chothani: tanya@chothani.com. Thanks in advance for your support of the COA trip!

Quantity		Size	Description	Cost for Each	Total \$
For Me	Donate to Sunnyhill				
		6"	Winter Rose Early Red	\$ 10
